

ABENDED

Audit Report Message in Process Monitor for DA4001CP

The Report/Process monitor can be used for trouble shooting.

The Report/Process Monitor displays a status of **Active**, **Complete**, or **Abended**. The status of **Abended** indicates that an audit failed and was not able to complete due to an error. If you find it helpful to see the log file of the error message, you can double click on the word Abended and the log file will pop up.

When a report appears with a Status of Abended, you may email the report log file to darsinfo@so.mnscu.edu, or one of the DARS Team for assistance.

Below is an example of report log that can be e-mailed.
