

# IREF Symbols Definitions

## Course Mask Field

The screenshot shows the 'Grade Definition' window for 'Riverland Community College'. The 'Course' tab is active, displaying the 'Display Format' section with a mask of 'AAAA9999', department and course start/end positions, and 'SPEEDE Default Values' for BACC, ACTC, AGCLC, Honors, RepeatF, and Unit scale. There are also fields for 'Universal Condition Code Assignment'.

- A Alphabetic entry required (A - Z only)
- ? Optional alphabetic entry
- 9 Number entry required (0 – 9 only)
- Z Optional numeric entry
- X An entry must be made (alphanumeric or symbols)
- \* Optional entry
- A blank space requires a blank space entry be made

And four literal values are supported in the course mask:

/ (right slash), - (dash), : (colon) and .(period)
